Summary

A dedicated Human Resources professional with comprehensive knowledge across the core disciplines of Human Resource Management. Committed to driving organizational value through strategic HR practices while continuously seeking growth through diverse and challenging roles within the function.

Experience

Human Capital Operations – Administrative March 2024 – Present
PwC AC (FirstMeridian Global Services) *India*

- Spearheaded comprehensive data audits for new hire onboarding records at scale; identified, reconciled, and remediated discrepancies to ensure full regulatory compliance and adherence to organizational governance standards.
- Administered and optimized the enterprise-wide HRIS database, safeguarding data accuracy, integrity, and confidentiality across all HR personnel records in alignment with data governance frameworks.
- Collaborated seamlessly with cross-functional, multicultural teams and engaged key stakeholders across business units to drive alignment and deliver on strategic organizational objectives.
- Executed Risk Control Self-Assessment (RCSA) initiatives, conducting systematic risk analysis across sampled HR functional metrics, gaining end-to-end exposure to the organization's HR process landscape and strengthening the department's risk posture.

Human Resource Intern Sep 2023 – Feb 2024
PhonePe *India*

- Coordinated end-to-end mass hiring drives and onboarding workflows for seamless new joiner integration.
- Maintained Joiners' Confirmation tracker and New Offer Release Database with full data accuracy.
- Partnered with Hiring Managers to align recruitment pipelines with headcount targets and org priorities.
- Published periodic headcount reports and people database summaries, enabling data-driven workforce decisions.
